MONTHLY MEMORY VERSE

Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, and into an inheritance that can never perish, spoil or fade... ~ 1 Peter 1:3-4

Our Mission

To be disciples of Jesus
who make disciples.

Our Vision

To love like Jesus
John 15:12

To live like Jesus
Luke 9:23

To serve like Jesus
John 13:15

To be the light of Jesus
Matthew 5:16

The audacity of Hope!

The Easter message is filled with Hope... eventually.

Chuck Swindoll writes, "Hope is a wonderful gift from God, a source of strength and courage in the face of life's harshest trails... Put simply, when life hurts and dreams fade, nothing helps like hope! " Easter reminds us that, Hope: creates life not death.

Hope: convinces us that God will keep us safe amidst our worst troubles.

Hope: assures me that God will not abandon me.

Hope: affirms that God will not reject me but receive me.

Hope: drives out fear and replaces it with peace.

Hope: creates confidence in the Lord that it will all work out for good in the end.

Hope: will not disappoint us.

Hope: opens our eyes to the promises of God and truth.

Hope: prevents us from losing heart in the midst of oppression and chaos.

Hope: renews us day by day.

Hope: reveals the future glory to us.

When we are overworked and exhausted, hope gives us fresh energy.

When we are discouraged, hope lifts our spirits.

When we are tempted to quit, hope keeps us going.

When we lose our way and con-

fusion blurs the destination, hope dulls the edge of panic.

When we struggle with a crippling disease or a lingering illness, hope helps us persevere beyond the pain.

When we fear the worst, hope brings reminders that God is still in control.

When we must endure the consequences of bad decisions, hope fuels the recovery.

When we find ourselves unemployed, hope tells us we still have a future.

When we are forced to sit back and wait, hope gives us patience to trust.

When we feel rejected and abandoned, hope reminds us we're not alone... we'll make it.

When we say our final farewell to someone we love, hope in the life beyond gets us through our grief.

Hope isn't merely a nice option that helps us in a tough moment but it is essential to our survival and for Joy in the journey of life.

The message of hope is only found in Jesus, and only possible due to his sacrifice and resurrection on Easter Morning

As you celebrate this Easter season, regardless of whatever is going on around you, hold on the hope that has been made possible through the sacrifice of our risen savior.

~ Jed
