Fall And Seasons That Change

MONTHLY MEMORY VERSE

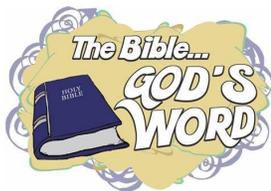

Colossians 3:17

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.

BIBLE IN A YEAR

We welcome you to join us as we make our way through the Bible this year. By the end of October, you will need to read through Luke 12.

Sun 10/5 ~ through Zechariah 7
Sun 10/12 ~ through Matthew 17
Sun 10/19 ~ through Mark 3
Sun 10/26 ~ through Luke 1

The time for Fall has begun. As I look around, I see the colors of leaves changing on the trees. This change means that fall is clearly here and different colored leaves give rise to that change is happening.

That is not the only thing I see. I see my favorite baseball team - the Red Sox - in the playoffs too. By the time this newsletter gets sent out and read, they hopefully will have won and moved on to the next round of baseball playoffs. The change from regular season in baseball to the playoffs happens as the calendar turns from September to October.

Maybe you have faced changes not only in seasons, but also in LIFE seasons. Perhaps you remember the change going from Elementary School into Middle School. The change that happens when you go from Middle School to High School (which we have kids in New Life experiencing those changes now). Or perhaps, you remember the change from High School to graduation and moving into a job our to College.

Other changes in life may be when you get married or have children and helping them through their changes. Or perhaps it is going from 20's to the 30's or 40's or 50's. Or making the change from working to retirement. Or

moving from one state to another in your retirement or just in life. Or perhaps your changes have been because of health or age. All of these changes can be either good in life or sometimes bad too. Some changes that we know are coming we can prepare for or can be challenged by. However, we all know that change will happen in life whether you want it to or not.

So, the change I want to encourage you make, is the BEST change possible. **That change is to follow Jesus.** When we trust Him, He changes our life. He give us love, forgiveness, hope, joy and much much more. These attributes are not just future ones to receive, but also ones we receive immediately. So that when do face changes - good or bad - we have Jesus to hold on to and rely on during those times.

My hope for all reading this (and those that don't) is that we all know Jesus and rely on Him in our life. Because while He does change us, it is the BEST change that we can experience. And when other changes come, He helps in those times too. So, may each of experience the change Jesus makes by trusting Him, so He can help in fall changes and other changes in life.

Pumpkin Patch Outing: On Sunday October 12th join us after church to go to the Pumpkin Patch. We are asking everyone to bring a sack lunch to enjoy once we arrive. The cost is \$12 per person for ages 2 and up, children under 2 are free. If you need help with the cost, please let us know, as we do want everyone to go. We will be carpooling from the church and will return once we've enjoyed all the activities.
