### Future Meals Needed?

The Diaconate has started to use the MEAL TRAIN website. What is MEAL TRAIN? There are times in our lives when friends and family ask, "What can I do to help out?" The answer is usually to help them with a meal. When many friends provide support through a meal, MEAL TRAIN keeps everyone organized.

**MealTrain.com** is a free meal calendar tool that makes planning meals among a wide group easy and less stressful. In the future, you may see need for food at New Life through MEAL TRAIN. We invite to participate by signing up through the MEAL TRAIN.
