BIBLE IN A YEAR

We welcome you to join us as we
make our way through the Bible
this year. You will need to read
through Job 35 by the last day of
May.

Sun 5/3 ~ through 1 Chronicles 26
Sun 5/10 ~ through 2 Chronicles 24
Sun 5/17 ~ through Nehemiah 5
Sun 5/24 ~ through Job 8
Sun 5/31 ~ through Job 35

How is the climate for you? Are you trusting Jesus?

Today is the FIRST day of the
Month of May. I know that I look
forward to the warm and sunny
days of Spring, but I realize that
even though Spring started in
March, I will not feel those warm
sunny days consistently until May.
... Yet, last night on April 30th,
there was a FREEZE warning. So
much for a warm sunny day today.
I guess I am still waiting for the
warm climate to come that is
steady and warm.

I am not sure how you feel about
the climate right now, but I know
it will get better. And this is not
just me talking about the
“weather” climate. If you think
about the other “climates” around
you, you might feel some of those
climates are not so great either -
political climate, social climate, in-
ternational climate, and even price
climate. All of these are a little
shaky at this point.

I am not writing this article to say
which side of the climate you
should be on, but rather to give
you a reminder on what to do
when climates are not where you
want them to be.

See, Jesus said that no matter what
climate you might think it should,
there are always going to be differ-
ent ones - challenging ones (I just
want to point out that this is my
PARAPHRASE of Jesus, NOT His
actual words). In John 16:33, right
before Jesus goes to the garden of
Gethsemane to pray and then get
arrested, He tells His disciples this:

John 16:33 I have told you these
things, so that in me you may have
peace. In this world you will have
trouble. But take heart! I have
overcome the world.

Another version puts the verse this
way: I’ve told you all this so that
trusting me, you will be unshaka-
ble and assured, deeply at peace.
In this godless world you will con-
tinue to experience difficulties. But
take heart! I’ve conquered the
world. (MSG)

Jesus is telling His disciples here
(His followers), that even though
there will be challenging times -
like climate changes around us
(and I do not mean about the
weather), we can still have a last-
ing, assured and unshakable peace
during those times. Why? Because
we have a Savior and Master that
we have put our trust in - Jesus.

I want you to remember that as we
are now moving into a warmer cli-
mate part of the year, there will be
days ahead that will be great - be-
cause of the weather. However,
that does not mean that every day
will great. Why? Because the cli-
mate around us in this godless
world has difficulties, challenges
and troubles. So, even though you
will see them and experience them,
remember that you follow a Sav-
ior who has overcome them. And
because of that, you too can over-
come the climate changes, as Jesus
helps you. We thank Jesus for this
kind of help - His unshakable, as-
sured and lasting peace.
